

# ELECTRIC CITRUS JUICER

## TKEA-ECJ4

### STANDARD FEATURES

Black color

- ✓ Designed with a rust-resistant body, sanitary aluminum alloy base, and ABS housing, the TKEA-ECJ4 ensures safe food contact, durability, and easy cleaning for daily professional use.
- ✓ The TKEA-ECJ4 operates via a manual press combined with a dedicated ON/OFF switch, offering straightforward control, reliability, and ease of use for daily professional service.
- ✓ Powered by a 180 W motor running at 1,300 RPM, this juicer delivers fast and efficient juice extraction while maintaining low noise levels, making it ideal for cafés, juice bars, hotels, and breakfast stations.
- ✓ Supplied with 3 interchangeable reamers, the juicer adapts easily to small and large citrus fruits (lemon, lime, orange, grapefruit), ensuring maximum juice yield with minimal effort.
- ✓ Engineered to operate continuously for up to 2 hours, the TKEA-ECJ4 is perfectly suited for peak service periods, offering reliability and consistent performance in commercial environments.
