

GOOSENECK SINK MIXER

TKEA-HY3386

STANDARD FEATURES

Deck-mount 2-handle basin mixer

- ✓ Single-hole deck mount (Ø33–35 mm) for quick installation on standard sinks and hand-wash basins.
- ✓ Swivel gooseneck spout with 180 mm reach and ~290 mm overall height / ~240 mm outlet height for comfortable hand-washing and pot clearance.
- ✓ Twin hot/cold handles with smooth quarter-turn ceramic cartridges (serviceable) for precise temperature control and long life.
- ✓ Chrome-plated brass body with easy-clean surfaces and reinforced base for daily commercial use.
