

FREE STANDING GAS OPERATED CONVECTION OVEN

TKKB-COG-2D

STANDARD FEATURES

US Type, double glass doors

- ✓ Utilizes powerful convection fans to circulate hot air uniformly, ensuring consistent and even baking and roasting.
- ✓ Features two separate doors, allowing easy access to different sections of the oven without heat loss, improving energy efficiency and cooking speed.
- ✓ Provides fast heating and precise temperature control, ideal for culinary environments that demand quick turnaround.
- ✓ Made with high-quality stainless steel, this oven is durable and easy to clean, suitable for heavy use in commercial kitchens.
- ✓ Equipped with sturdy casters for easy mobility around the kitchen, with locks to secure the oven in place during use.
